This Document Is To Certify That

Wendy Morris

has successfully completed the six modules of the Introductory Herbal Course,
which included the study of herbal preparations, the immune, respiratory, skin, and nervous systems and ailments,
herbal therapeutics, the holistic model of health, and the successful completion and passage of examinations.

The distinction of herbalist is bestowed on those that choose to work in the field of herbalism
as growers, teachers, producers, nurturers, and clinicians while continuing a lifelong pursuit of knowledge in this field.
